VII. **Summary Statement:**

This is an extension of the previous contract.

The School Resource Officer (SRO) is a position jointly funded by the Town and the School District, to provide a school-based approach to the development of a positive relationship between students and the police and the prevention of delinquency, alcohol and substance abuse, and gang involvement by students.

VIII. Detail of Issue/Request:

Chief Barbour and his staff have reviewed this contract and approved it.

IX. Legal/Political Considerations:

This Intergovernmental Agreement is authorized pursuant to Section 29-1-203 of the Colorado Revised Statutes, and memorializes our current operation.

X. Alternatives/Options:

The SRO program is already functioning and has been considered a success. This Agreement memorializes the on-going program. If the Town chooses not to fund the SRO program, the Town Police department would retain responsibility for enforcement, although there would be no positive, motivational role.

XI. Financial Considerations:

This is a cost sharing agreement with the School District, whereby the Town is responsible for those employee costs exceeding \$21,185.00 contributed by the School District. During summer months, the SRO would be assigned to duties in the Town Police department.

XII. Staff Recommendation:

Staff believes the Town should approve the Agreement.
